PAX CHRISTI CATHOLIC CHURCH

Christian Unity Service

CELEBRATE THE UNITY IN THE BODY OF CHRIST

Each year, Protestants and Catholics, mostly on the south side of Lexington gather for a joint service of ecumenical fellowship at Pax Christi Catholic Church. These wonderful hosts invite area clergy and the bishops and other judicatory heads with whom they serve for prayer, songs, and presentations around a common theme. This year's theme revolves around our Christian calling for justice and how each congregation can work outside of their own walls to help usher in a fairer and more just world. The public is invited to this important service with a reception to follow.
