### SUNDAY EVENING MOVIE NIGHT - COOL HAND LUKE

Movies are a great form of entertainment, but so often the movies we love have deep theological themes. The youth have been working through the Gospel of Luke this year as a way of understanding more the teachings and movement of Jesus. As we finish this journey together, there is a viewing and discussion about the movie Cool Hand Luke. Paul Newman stars as a prisoner who resists conformity and brings hope to the other inmates. Adults are invited to come and join the conversation and movie night on June 3 at 4:30 in the youth room. Popcorn and drinks will be provided.
