Good Neighbor Community Spotlight - Bluegrass Greensource

LEARN ABOUT CARING FOR OUR
COMMUNITY THROUGH CONSERVATION

Chris Porter of Bluegrass Greensource is presenting a workshop on Wednesday, May 9 at 6:30 in the green room. Bluegrass Greensource is a non-profit educational and resource organization that helps communities with cleaner living. Chris will help us talk about best recycling practices and ways to conserve water as we head into the gardening season. Our discussion will help us conserve in our own homes and help us consider ways we can conserve as a faith community.
