Worship Service - "Gratitude and Belonging"

EPHESIANS 2:12-14

Our identity is shaped by our participation in the many groups in which we belong. Our place as members of different families, workgroups, neighborhoods, and citizens are interwoven in mutual dependency. Over the years, followers of Christ have understood how their place within the family of God as committed contributors to Jesus' beloved community is the model for all other social relationships. This Sunday we will celebrate the grand belonging we have inherited in Christ with gratitude, purpose, and faith.
