Hike at Lower Howards Creek Trail

MORNING HIKE IN CLARK COUNTY

Join others from Central at 9 a.m. in the Lower Howard's Creek parking lot for a morning hike. There is an opportunity to gather for lunch at a local restaurant after the hike.

Lower Howard's Creek Nature and Heritage Preserve was created on November 27, 2000. The purpose of the Preserve is to provide nature education, to preserve endangered and threatened species, and to preserve and interpret an important chapter in the history of Clark County and the Bluegrass Region of Kentucky.
