## Worship Service - Rest Over Seeking Status

FIFTH SUNDAY OF LENT; JOHN 12:1-8

You might think an affluent culture with so many options would be able to manage their leisure schedule. But, often treasured moments away from the time-clock of necessary work can turn out to be just as busy and stressful as all the rest of the events on our calendar. Driven by a relentless work ethic, some believe taking a break and slowing down feels like cheating. But no so with Jesus nor God's people. We need times of respite, rest and healthy play to truly do and be our best before we return to the place where the tasks are many. This Sunday, we remember God's joyful invitation to Sabbath's rest and spiritual renewal.
