Kate Campbell is a southern singer-songwriter who writes and sings memorable folk songs infused with undercurrents of delta blues, folk, pop, and country that originate from a musical landscape spanning the less-travelled back roads from Nashville to Muscle Shoals to Memphis. Over the course of 20+ years since her acclaimed debut album *Songs from the Levee*, she has resisted the temptation to follow musical trends but instead chooses to set the pace for her unique musical journey clearly palpable in her latest release *Damn Sure Blue*, a heart-felt

collection of tunes that pays a respectful nod of admiration to the Man in Black and reverberates with the soulful sounds of award-winning Americana guitar whiz and producer Will Kimbrough.

Kate's endearing, clear-water vocal delivery and her eloquent gift for storytelling have drawn repeated comparisons to such bastions of the Southern literary tradition as Flannery O'Connor, Eudora Welty, and William Faulkner. Her easy command of a full range of American musical styles has earned Campbell recognition as a formidable talent by critics. Time Out London proclaimed her a "major talent" while Chicago Daily Herald described her as a "world-class singer-songwriter." Perhaps Roots Time best summarized the extensive arc of Kate's 18-album career by stating, "What a great talent Kate Campbell represents is made clear by the legends in music that appear as guest artists on her albums." Americana stalwarts Emmylou Harris, Rodney Crowell, Nanci Griffith, Guy Clark, Maura O'Connell, John Prine, Mac McAnally, Buddy Miller, Spooner Oldham, and the heart of the Muscle Shoals classic soul and R&B hit-making machine are both admirers and collaborators in her distinctly literate musical vision.
