Help the Children This Easter

WAYS YOU CAN HELP THE CHILDREN
CELEBRATE EASTER

The children's ministry is asking for your help as we plan a special Easter Sunday at Central. We are always looking for adults to participate with the children as they learn and worship during the Sunday School hour each week. If you are not able to help each week, there are still opportunities for you to help form faith in our children.

This Easter season, the children's ministry is looking for items and ideas. Please help as you can.

1. We are needing handheld bells for our Easter morning celebration for children to ring out with joy for Jesus' resurrection. Bells can be dropped off at the church office anytime before Easter.

2. On Easter morning, please bring flowers to add to a cross in the children's area.
3. If you have a meaningful Easter tradition that would benefit our children, please send those ideas to laura.r.levens@gmail.com. We pass along all the wonderful ways that we learn and celebrate resurrection.
