📍 CENTRAL BAPTIST CHURCH

Worship at 8:45 - To Move Heaven and Earth

Join us for Early Worship this Sunday as we consider what a new heaven and a new earth might be. What is the invitation of Jesus' resurrection? Is it to a life that continues beyond death? Is it a life that is awakened in us even in this life? What do we do with this gift of resurrection? We'll sing, pray, and contemplate these things together with a sermon by Aaron Austin.
