## Church-wide Retreat

JOIN US AS WE NURTURE OUR  
COMMUNITY AND REMEMBER OUR  
MISSION.

You're not alone on this journey. Join us as we remember our identity and to consider how we can better share the love of Christ with each other and our community.

Be a part of this special time as we discuss ways to continue our progressive heritage by connecting with each other and opening doors of involvement for newcomers and longstanding members alike.

Following our special service of table fellowship at 11am, we will offer two workshop sessions with options that explore paths to involvement, evangelism in a progressive setting, and healthy intergenerational connections.

11 AM    Worship and Potluck Lunch
