Worship at 8:45 - A Name and a Home

AARON AUSTIN

At our early service, we move at a slower pace with time to reflect and listen in the quiet. This Sunday, in the wake of Pentecost, we reflect on Jesus' work of healing and restoration as we consider how we might move with the One who moves alongside us. The healing of the Gerasene Demoniac in Luke 8:26-39 will guide our exploration of God's beloved community as we hear from Aaron Austin.
