Book Group (PM)- Southernmost by Silas House

READ WITH US THIS SUMMER

Join us for book group this summer as we read the new novel by Kentucky author Silas House, *Southernmost*. Each month we'll meet to discuss this tale of transformation together. We'll offer two different times/locations for you to choose from. This evening session will take place at the Brontë Bistro at Joseph Beth. This week, we'll discuss the first part of the book through part 2 (around page 156).
