📍 THE PINNACLES

Hiking at the Pinnacles - canceled due to heat warning

On Saturday, July 20, we will meet at the parking lot at the Pinnacles at 9 a.m. for a morning hike, possibly followed by lunch at a local restaurant. Located in the Berea College Forest—one of the oldest managed private forests in the United States—the Pinnacles provide over seven miles of hiking and running trails with scenic lookouts and breathtaking views at every turn. Contact Aaron at aaron@lexcentral.com with any questions.
