Baby Boomers tour Corman and Associates

THIS GROUP OF ADULTS GETS TOGETHER
TWICE A MONTH FOR SOCIAL AND
SERVICE ACTIVITIES.

Dan and Pat Corman were among the earliest members of Central and served in numerous leadership roles in our congregation over the years. On Nov. 12, we will have the unique opportunity to tour the company that Dan started in 1947 as a one-man trimming and display service for local merchants in downtown Lexington. Dan and Pat's son Ted, who is now president of the company, will give us a tour of the 100,000 square foot Corman & Associates facility at 881 Floyd Drive.

After our tour, the group will head over to 962 Delaware Avenue for lunch at the Pasta Garage Italian Café.

For more information, please contact Pat Ingram at
