## Women on Missions II

WE SEEK TO SUPPORT MISSIONS  
THROUGHOUT OUR LOCAL AND GLOBAL  
COMMUNITIES.

WOM II (Women on Mission) welcome those curious and eager to learn about mission needs and opportunities. In following our watchword "For we are labourers together with God" (I Corinthians 3:9), we seek to support missions throughout our local and global communities. Our commitment takes the forms of prayer, study, activity, fellowship and financial stewardship. Come join us for November's program and featured speaker, Traci Brewer, Executive Director of the Downs Syndrome Association of Central Kentucky.

WOM meets at 7 p.m. at the church, Room 1644. For details, please e-mail the church office at [info@lexcentral.com](mailto:info@lexcentral.com) or call 859-278-3331. 110 Wilson Downing Road Lexington, KY 40517
