Baby Boomers visit Evans Orchard

Baby Boomers will visit the pumpkin patch, apple orchard, and corn maze, shopping at the Farm Market, and eating at the Sweet Apple Cafe at Evans Orchard on Oct.10. The cost is \$4 per person for the wagon ride to the pumpkin patch and corn maze, Other items (lunch, pumpkins, mums, gourds, etc) can be purchased separately. Because school groups are scheduled in the morning, let's plan to arrive about noon. For those wanting to carpool from the church, we'll meet at about 11:15.
