THE CHURCH IS A FAMILY OF FRIENDS -
LUKE 17:11-19

This Sunday, we look forward to celebrating one of the best, if not the very best gifts in our congregation: Each Other! Our community of faith is filled with wonderful people who give thanks, care for one another, practice humble faith and sincerely follow Christ. You can see this mutual care and support each Sunday in our welcoming foyer, and we will spend a little time highlighting how this space serves our calling as a family of friends and servants.
