📍 CENTRAL BAPTIST CHURCH

Potluck Supper and Candlelight Communion

Candlelight communion is a beautiful way to enter into the season of Advent. In a season that is often hectic, we have a chance to remember the beautiful mystery of God's incarnation. As we share the light with one another we see again how together, our little lights can make a difference. Before our service, join us for a potluck meal. We'll gather in the fellowship hall at 6 p.m. to enjoy good food and fellowship. The church will provide meat and beverages, and you are invited to bring sides and desserts. As always, all children are invited to participate, but the nursery will also be available.
