Worship at 11 - Lessons and Carols

As in years past, we will have readers take us through the biblical story of the birth of Jesus; from prophetic musings to the lovely tale of shepherds, wise men, angels, and the baby. Interspersed with these readings will be music provided by the choir and traditional hymns sung by all. This combination of spoken and sung words provides a lovely opportunity to remember and worship. We hope you will make an extra effort to be here and maybe even invite a friend or neighbor to join you.
