JOIN CRYSTAL TO DISCUSS LIFE'S
TRANSITIONS

Frederick Buechner in *Beyond Words: Daily Readings in the ABC's of Faith* says, "Here is the world. Beautiful and terrible things will happen. Don't be afraid." In life, beautiful and terrible things do happen. Life can often seem about change, about the transitions. With both the joyful and the sad transitions comes grief. Join Crystal to discuss life's transitions, the emotions we may feel surrounding those, and how to adjust to the ever changing landscapes of our lives.
