Baby Boomers meet at DV8 kitchen for brunch

On Thursday, February 13 at 10:30 a.m., our CBC Baby Boomer group will meet for breakfast/brunch at DV8 kitchen on South Broadway in Lexington. DV8 Kitchen has received national attention because it was developed and operates as a second chance employment opportunity for people who are trying to redirect their lives, particularly those in the early stages of substance abuse recovery. For more information, contact Pat Ingram.
