## Morning Worship - The Risen One Who Blesses Us

Join us from your computers, tablets, phones, and televisions on our YouTube channel.

This week, we'll remember our place in God's beloved community. The Spirit of God invites us to settle down in the holy now where we find that there is enough for everyone. Though this present moment is not free from suffering, we do find that God is present with us and that each breath we take is sacred.
