Morning Worship - Communion

Join us from your computers, tablets, phones, and televisions on our [YouTube channel](#).

This week, we'll celebrate communion together. Join us as we worship together even though we're apart.

You can join us for communion by gathering your own "bread and wine" beforehand so we can share together. From saltines to Cheez-its and Diet Coke to merlot, it's not really about the food. It's about the sustenance we find when we gather together with the Spirit of Christ and remember that God knows suffering too, and even in the midst of our suffering, God joins with us.
