## Morning Worship - Don't Be Afraid?

Join us from your computers, tablets, phones, and televisions on our [YouTube channel](#).

This week, we'll step into the Gospel lesson as Jesus takes a midnight walk across the water during a storm. In the midst of a global pandemic, systemic racism, and personal struggles with health and caregiving, fear is a rational response. What is Jesus inviting us to when he says, "Do not be afraid." Join us as we explore God's mysterious presence even in the midst of struggle.
