Lunch with Mark

Each Sunday after virtual worship (around 12:15 p.m.) beginning this Sunday June 13 through Sunday July 25 (excluding July 4), Mark Johnson will be available to visit with anyone wishing to stop by at the Patio at the Whole Foods located in the Summit for the early afternoon. A short menu of prepared foods including pizza slices, burgers and fries are available there for purchasing as well as the vast array of food items from the takeaway deli. This opportunity will be great to also see others who might stop by. If you have a question, have a need or just wish to say hello, please stop by.
