Book of the Month: Jesus and John Wayne

July's book of the month is [Jesus and John Wayne](#) by [Kristin Kobes Du Mez](#). Dr. Laura Levens will lead an exploration of the book during our small group time on Sunday morning. The current rise of Christian nationalism and white supremacy has deep roots in the evangelical culture of the 20th Century. This book provides a detailed and comprehensive history of this story and the way the merger of religious, political and cultural forces have contributed to our current challenges within the church and the body politic. All are welcome to this morning where you can learn more, ask questions and dialogue with one another about these vitally important issues relevant to our faith and our society.
