Habitat Volunteers Needed

This year we are partnering again with several churches in our community to sponsor a Habitat build. This year's project will take place at 221 Perry Street for a mother and her daughter. You can volunteer to help with building or you can help by supplying food.

We are scheduled to help with food September 24th, and are still in need of volunteers to contribute food items. You can [sign up online to contribute food](#). We can also use building volunteers for September 16, 17, 23, and 24. [Sign up to volunteer for the build online](#).
