Advent Devotions

Calling all writers, raconteurs, storytellers and yarn spinners!

We are fast approaching Advent and our annual tradition of daily Advent meditations. The stories we tell in our Advent devotions are a great way for us to get to know each other a little better as we journey through the season together.

Stories from our own lives can help other folks know they're not alone on this journey. You can share a Christmas memory, a holiday tradition, why your crazy uncle is really a decent guy deep down, or perhaps where your grandmother keeps her secret stash of peanut brittle. You may want to write a poem or devotion on the lectionary text.

Please include a short bio along with your devotion. You can also include a prayer if you like.
