

Summer Camp Scholarships

The children and youth are returning to our summer camps this year. We are excited to be able to return to this camp. However, there are several students in need of financial assistance. The cost per person for camp this year is \$300 for the youth and \$200 for the children. If you are able to help with our scholarship fund for these campers, please contact Charles at charles@lexcentral.com. If you would like for members of the youth to do chores or yard work around your house for a donation to camp, please contact Charles.
