Morning Worship - Join us in person or online

Join us in person or online as worship together this Sunday. This week we remember the Jesus' calling of folks who were on the margins. People who were dismissed by religious folks because of their occupations, politics, socioeconomic status, gender, race, or reputations were welcome at Jesus' table—and they still are. Jesus invites us to continue to be curious about who may be left out. We have the opportunity to learn from those we have previously ignored as we open our eyes to the beloved children seated with us at the table of grace, for at Jesus' table, everyone belongs.
