CENTRAL BAPTIST CHURCH

Morning Worship - Join us in person or online

Join us this Sunday for worship in person or online. Just days after the International Day of Peace on September 21, we will reflect on God's call to peace and justice. As we recognize the divine spark in each soul, remembering that we are all kindred, we will see more clearly how our liberties are intertwined. May we have eyes to see the light in every sibling, grace to celebrate our differences, and the courage to work for the equity all people.
