Crop Walk

On Sunday, October 15th, Central Baptist will join other churches across Lexington for a CROP Hunger Walk. The Greater Lexington CROP Hunger Walk raises funds to end hunger one step at a time! Funds raised support local work of God's Pantry Food bank and global humanitarian development work of Church World Service.

Please help us end hunger in our community by participating in this year's CROP walk. [Click here](#) to join our team or donate. If you have questions or would like additional information, please contact Sarah-Ashley Solie (sasolie@mac.com).
