

Staff Evaluations

The Personnel Committee of Central Baptist Church is starting our 2024-2025 staff assessment and goal setting cycle and seeks your input. How? We ask that you simply fill out the feedback form located in the church foyer and place it in the collecting box. Please fill out a separate form for each employee that you wish to provide feedback for. They are due by March 30.

We look forward to making this a constructive process for Central's employees and their future.

Direct questions to Personnel Committee Chair Rebecca Wallace at rebeccajrwallace@gmail.com or any member of the Personnel Committee.
