CBC Spring Work Day

COME AND HELP WITH SOME WORK
AROUND THE CHURCH

The Facilities Committee invites you to come and help with some projects around the church. On May 31 from 9 a.m. -12 p.m. we will be spending the day working on our peace garden in preparation for the summer and a audio project in the sanctuary. If there are other small projects that you notice need our attention, please contact Charles at charles@lexcentral.com and plans will be made to include those as well. Bring your gardening tools and lend a hand.
