Habitat Interfaith Build

JOIN OTHER COMMUNITIES OF FAITH TO
BUILD A HOME FOR A NEIGHBOR

Central Baptist Church is joining in the Interfaith Habitat Build this year. Our hope is to provide safe, affordable housing for all in the community and this is a step toward fulfilling that mission. This year we are building a townhouse (634 Maple Ave) for a mom, Rain, and her 4 sons. Build dates are during the month of April, June, and July. You can sign up to volunteer here: [Sign up to help build.](#)

Habitat is also encouraging each congregation to set a donation goal for this home. Central's goal is \$3000. [Donate here.](#)

Help us with your time by volunteering or with your financial gifts.
