

## Bulletin Artwork

Share your art with us! We welcome all kinds of art from all ages as we illustrate the themes of our worship together. Our bulletins are most often black and white, so images that translate to that format will be helpful. We'll print in color from time to time as well, so please don't hesitate to send in your work. You can submit artwork to Juliette ([juliette@lexcentral.com](mailto:juliette@lexcentral.com)).
