Pumpkin Carving at McConnell Springs Park

We will be carving pumpkins at McConnell Springs Park on Sunday October 19th starting at 1pm! This is a free event. There will be food trucks present for lunch. This event is BYOP (bring your own pumpkin), however carving supplies will be provided.

This is put on by the Lexington Parks and Recreation. All pumpkins will be used for the Jack-o'-Lantern Trail at McConnell Springs from October 22nd through October 25th, after which you are free to take your pumpkin home. Find more about the event
