LAFC Vigil of Queer Joy and Mourning

The Lexington Affirming Faith Coalition invites persons of all faiths (and no faith) to join us on October 11th, National Coming Out Day, during LGBTQ History Month to celebrate queer lives, stand in solidarity with one another, and hold space for queer grief. Queer folks and allies alike will share our hope and joy as we honor the many intersections of queerness and marginalization, remembering that all of our liberties are intertwined. We are not sharing this on social media. For information on location and times, please contact Aaron (aaron@lexcentral.com).
