BUILD Sunday Class

Central is a new member to the BUILD Lex collaboration for justice. We are one of several congregations who join together to accomplish a common goal to improve the lives of all in Lexington. You are invited to a special Sunday morning class on October 12 in the New Wineskins room to discuss and give your thoughts about the struggles of our city and the ways to work toward justice. CJ James will lead this time to ask questions and let your voice be heard in the BUILD process. If you are not able to attend the class, please consider completing the online form: [BUILD Survey](#)
