

Financial Update

With the end of the year a few weeks away, I wanted to share a brief financial update. Through the end of October, offerings for the year were almost \$14,000 below the amount budgeted.

Budgeted Offerings YTD (through October): \$350,000

Actual Offerings YTD (through October): \$336,132

Throughout 2025, the church has had to make several transfers from Savings into Checking in order to cover general expenses. The amount budgeted for these general transfers in 2025 is \$30,000. As of today, we have actually transferred about \$32,000 so far this year.

Historically, November and December are very strong months for financial giving at Central. Looking at this November, we received just over \$36,000 in offerings. That compares to just over \$42,000 received in offerings for November of 2024.

Thank you for your prayerful financial support of Central Baptist Church! Your generosity supports not only the work of Central today—but also sets us on a solid foundation for where we may be called to go in 2026.
