Invitation for Thoughtful Discussion on Our Future

Join us as we explore the path ahead on Sunday, March 22, 2026 following morning worship.

We warmly invite you to participate in a meaningful conversation about ministerial/pastoral leadership models for our church moving forward. This is an opportunity to hear about different options, share your perspectives, listen to others, and collectively shape the direction we take as a congregation. Your insights and ideas are invaluable.

Please join us for a thoughtful discussion where every voice is welcome and respected. Together, let's explore how we can positively move Central Baptist Church forward. This takes place in concert with our formation of a Search Committee to find our next Pastoral staff member.

Delicious homemade pizza by CJ James will be provided

for a quick lunch, with our discussion to follow. Nursery services will be provided as well as lunch for the children.

We look forward to this exciting step and hope you can join us!

An invitation from Christi Gabbard, moderator, and deacon co-chairs, Gwen Hart and Hannah James.
