Invitation for Thoughtful Discussion on Our Future, Part 2

Following worship on May 31st, we again are inviting the congregation to join us for a conversation about ministerial/pastoral leadership for our church. We have several important updates to provide the church since our March meeting. A quick lunch will be provided before we begin. Nursery will be provided as well as lunch for the children. An invitation from Christi Gabbard, moderator, and deacon co-chairs, Gwen Hart and Hannah James.
