## Ordination of Hannah Niday

JOIN US AS WE AFFIRM AND BLESS HANNAH'S MINISTRY.

We look forward to the Ordination Service of Hannah Niday. She has completed the discernment phase of this process and has been approved by the deacons and our church as a person who is gifted, called and ready for a profession of ministry. Hannah has completed her Chaplaincy Internship with Veteran's Hospital in Lexington and has taken a position with Four Winds Nursing Facility in Jackson, Ohio where her and her family moved earlier this month.
