Journey For Justice Evening Conversation

ADVOCACY BEYOND WORDS

Central Baptist Church is proud to join with Baptist Seminary of Kentucky to offer Journey for Justice - Empowering Women Leading the Church. This two-day event will be led by Rev. Dr. Eileen Campbell-Reed, an ordained minister, practical theologian, and co-director of the Learning Pastoral Imagination Project. Dr. Campbell-Reed will preach in our morning worship on November 5th and will lead an evening conversation at 5 p.m. The Georgetown Chorale will also be our special guests and singing in the evening event.

This Journey for Justice event is designed to explore many aspects of justice regarding women's leadership in churches and other ministries. Among Cooperative Baptists of Kentucky women's leadership is assumed, yet it remains

a limited pathway. What would help turn the tide and change the culture? Rev. Dr. Eileen Campbell-Reed will preach, teach and facilitate conversations to raise more questions and offer theological, sociological and practical insights about the problems and potential solutions. Most importantly each gathering will explore strategies and plans for making the journey for justice one of empowerment for women leading the church.
