HELP HABITAT WITH A DAY OF SERVICE

On Saturday, October 21st, Lexington Habitat for Humanity will partner with Thrivent Financial, local churches, homeowners and community partners to complete exterior work on six homes occupied by elderly homeowners in the East End neighborhood. Dozens of volunteers will gather for this one day project to stabilize and improve the long-time home of these neighbors. Lexington Habitat is still recruiting volunteers from local congregations to partner with us for the event and would love to hear from anyone with a small group, class or other group that would like to consider partnering with us for the build. No experience necessary. Please contact Jeremiah Myers at 859-429-3174 or [JeremiahM@lexhabitat.org](mailto:JeremiahM@lexhabitat.org) as soon as possible if you're interested in serving with us!
