## NEW WAYS TO GIVE ONLINE

There's a new way to give your offering to Central. When you go to [LexCentral.com](http://LexCentral.com) you can simply click on any "Give" button and you'll be directed to our new giving platform. There you'll be able to securely enter your payment information to give via credit/debit card or even bank draft. Your gift can be a one time offering or you can choose to make recurring donations. You don't need to sign up or log in. Online giving is available via any web browser, so you can even give securely from your phone. If you have questions, Aaron Austin ([aaron@lexcentral.com](mailto:aaron@lexcentral.com)) will be happy to help.
